# How to drive & sail here from Atlantic Canada

**Port Aux Basque**

Driving to NL will include a ferry crossing with Marine Atlantic, which operates between Sydney, NS and the Port Aux Basques, NL.

There are two crossings daily - morning and evening – and the crossing takes six to eight hours, depending on the weather.

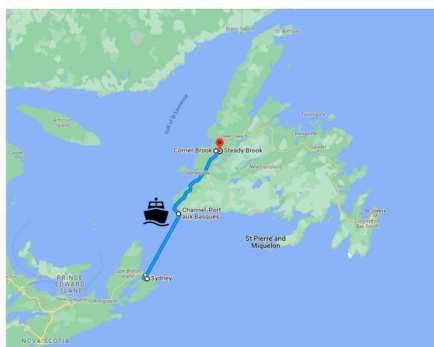

Marine Atlantic offers cabin accommodation options for an additional fee.

Food service is available on board.

Once docked in Port Aux Basque, NL, drive north on the Trans Canada Highway for 220kms (~2 hours and 30 minutes) to the City of Corner Brook or an additional 13 km (~13 minutes) north to the Town of Steady Brook.

# How to drive & sail here from Labrador

**St. Barbe**

Driving to western NL from Labrador will include a ferry crossing with Labrador Marine, which operates between Blanc Sablon, QC and the St. Barbe, NL.

There are two crossings daily - morning and afternoon – and the crossing takes about 2 hours, depending on the weather.

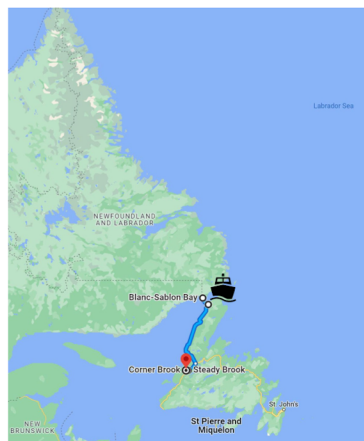

Food service is available on board.

Once docked in St. Barbe, NL, drive south on the Trans Canada Highway for 340kms (~4 hours) to the Town of Steady Brook or an additional 15 minutes south to the City of Corner Brook.
